PLANET EXPAT IS HIRING A JUNIOR FRONT END DEVELOPER IN CHILE FOR TEMPORARY
FROM 3 TO 6 MONTHS.

Date : 04/01/2016

Job reference : 150400-11938856
Function : Information systems / Telecom (Programmer Analyst)
Type of contract : Temporary
Localisation : Santiago xx, CL
Contract duration : From 3 to 6 months
Level of studies : Master's Degree
Years of experience : 1-2 years

Company description :
Planet Expat provides career-boosting paid internships in some of the most innovative and dynamic Start-ups in Latin America, Europe and the USA. We connect students with promising start-ups abroad through a program that allows them to gain valuable professional experience in international environments while being key contributors to innovative projects.

We are currently hiring for the company below:

"We are a fast-growing and innovative company based in Santiago.

We are part of the very dynamic entrepreneurial ecosystem in Chile, which has become a major hub in Latin America for the development of start-ups and fast-paced companies. As a start-up ourselves, we are first-class contributors to this very innovative environment.

To accompany our business growth, we are looking for an enthusiastic Junior Front-End Developer trainee to join our team and be a key contributor to our projects. "
